

## **Remit to AGM: To Adopt the draft Constitution**

### 1. Remit

That the Soil and Health Association membership adopt the Constitution document known as the Constitution of the Soil and Health Association 2022 (the Constitution).

### 2. The National Council supports the adoption of the Constitution.

## Background

- ### 3. The Constitution has been drafted as a result of changes to the law regarding the Incorporated Societies Bill 2022. An opportunity has been taken to:
- Address any anomalies in the Soil and Health Constitution 2020 ( the existing Constitution) and to
  - add new and make changes to rules governing various administrative matters including but not confined to conflicts of interest, termination of membership, fairness, and equity provisions in respect of relationships between members, and National Council and members.
